# Welcome to Jays Company!

As a distributor for more than 50 companies, we are your one-stop resource offering...

## A Complete Line Of Products You Need, At Prices You'll Love, With Service You Deserve.

**Jays Company is a customer driven forms and label company dedicated to one simple mission:** To develop and maintain a solid ongoing relationship with our customers. We strive to do that by delivering the right information and products in a timely manner at the right price. The result is helping you present a **professional edge** and making us both successful.

As you look through our new catalog sections, you will notice that we carry more than custom labels and forms. You will find 4 sections offering products that cover all aspects within the retail and LTC pharmacy operation. In addition we carry many unique and hard to find consumable products for hospitals, surgery centers and veterinary facilities. These products range from stock and custom medical labels and tapes, laser and thermal labels, pharmacy supplies, paper and plastic bags, unit dosing systems, advertising products and much more.

***Looking for something not shown in our catalog? Give us a call, we would be happy to find it for you.***

Thank you for taking the time to look through our catalog and please know that we will work hard to earn your business by having a helpful office staff, knowledgeable sales force and offering the best service in the industry. We sincerely thank you for the opportunity to serve you.

***Your Friends at Jays Company

# General Information

## **Artwork Requirements**

We accept artwork and logos via email. Artwork must be created in one of the Adobe programs listed below. Other programs may be used providing they can export output which can be read by these programs. Note: files created by “paint” programs are not usable.

## **Adobe Illustrator: Versions**

EPS

Photoshop PSD

Adobe PDF

JPEG

## **Proofs on Printed Orders**

A proof on all new orders will be sent to you via email, fax or postal mail. When proofing, please be sure that you check all spelling, logos, punctuation, phone numbers and placement of copy. We cannot be responsible for orders approved by the customer that contain incorrect copy.

## **Shipping**

If no specific carrier is requested then all merchandise is always shipped in the most affordable and reliable way. Upon receiving, all orders should be checked for damage. All claims for damaged merchandise should be filed with the carrier. Many items are stocked in our warehouse and will ship the same or next day.

## **Damaged Shipments**

Although we work hard to ensure that all shipments are received without damage, it does sometimes occur. If you receive a shipment that is damaged, sign for the shipment noting all damages on the signature page. Then contact us at Jays Company so we can assist with the claim process.

## **Return Policy**

Please call us if you receive merchandise or items that you wish to return. We will make arrangements at that time and you will be given an RMA number (Return Merchandise Authorization). A restocking fee may apply to stock merchandise.

## **Sales Tax**

All taxable merchandise will be subject to state and local sales taxes.

# Our Specialty is Custom Labels and Ordering is Easy!

## Getting Started with Custom Labels

Jays Company is your expert in designing and printing the exact healthcare labels you need.

**Step 1: Identify SOS (Software Operating System).**

There are many software operating systems; we have listed a few popular examples. If you do not see yours, please call us!

CERNER	HCC	NEW LEAF Rx
COMPUTER Rx	KEYCENTRIX	PIONEER Rx
DIGITAL BUSINESS	LIBERTY	QS/1
FRAMEWORK ECM	MCKESSON	RX30
HBS	MICROMERCHANT	SPEEDSCRIPT

**Step 2: Select Format (Thermal or Laser)**

**Step 3: Identify Printer, Make and Model.**

**Step 4: If thermal confirm unwind (which way label comes off roll)**

**Step 5: Send us your logo and selected colors.**

**Step 6: Once you approve your final proof, normal lead time for production estimated at 4 weeks. Rush services available.**

**Here are some popular stock pharmacy logos.**

### Thermal

- \*Direct Thermal
- \*Thermal Transfer

### Laser

- \*Joined or Dual-Web Style
- \*Laser Bond
- \*Pressure Sensitive
- \*Monograph
- \*Statements

### Long Term Care

- \*With reorder tab

### Automation

- \*Labels available for most automated systems

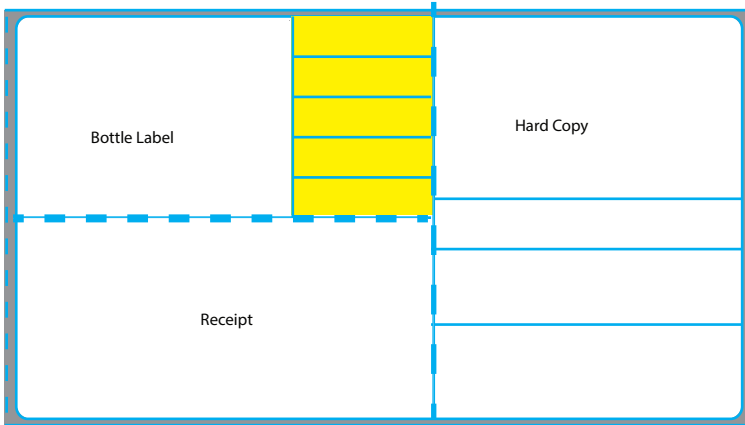

**Pharmacy Grade Direct Thermal material!  
These are our top label designs.**

**Retail**

These labels are compatible with most softwares and can be purchased blank or customized at a higher quantity.

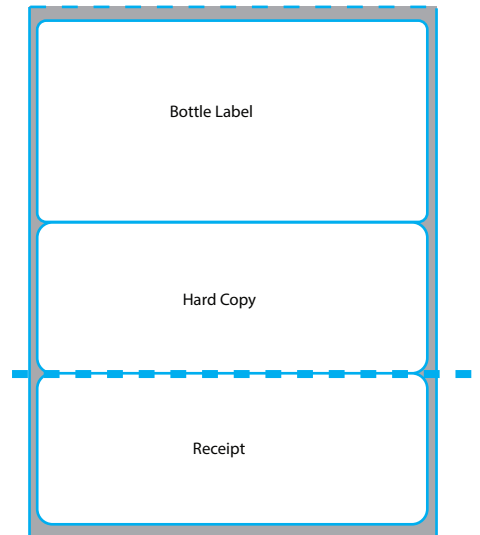

**Style B**

4" x 7-7/8"

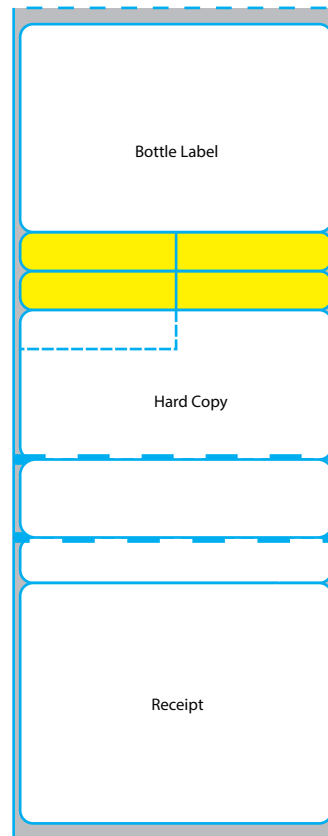

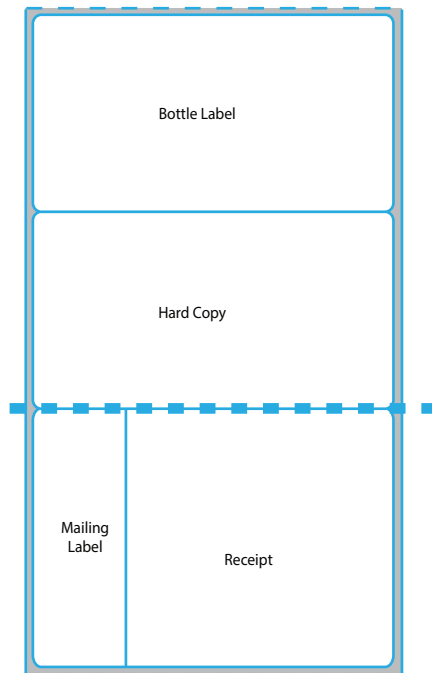

**Style S**

5" x 3.875"

**Style T**

3.875" x 6.625"

**Style A1**

3-1/8" x 8"

For Information on customization refer to page 5

# Hundreds More!

## Or create a label that meets your needs.

**DESIGNING AND CREATING A NEW LABEL IS AS EASY AS 1-2-3**

1. Determine how many label sections you need and what design would work best for your facility.
2. Fax, email, or call in to Jays to start the proofing process.
3. Confirm with your software they can program the label and approve a final proof.

Die charges may apply. Call a Jays Company representative for more information.

**BLANK STYLE K**

What is the difference between Direct Thermal and Thermal Transfer? With Direct Thermal labels no ribbon is required while Thermal Transfer labels require a ribbon. Most Direct Thermal labels found in this catalog can be produced using thermal transfer material. Please contact Jays representative for thermal transfer ribbon options.

**Stock Thermal Label Sizes**

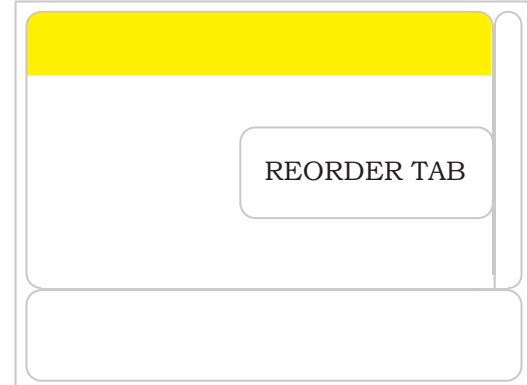

In addition to the sizes shown we can create any size to fit your exact application. Please include with your request, printer make and model for correct core size and outside roll diameter.

## Popular Stock LTC Labels

These labels are stock options that ship within 24 hours and can be purchased by the roll, by the case or customized at a higher quantity.

**Long Term Care Thermal Label Options**

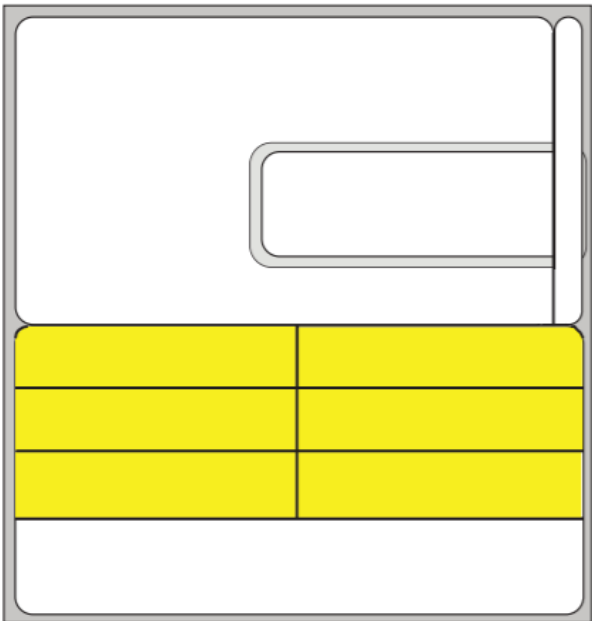

Grow your Long Term Care business with a fast, efficient and safe solution. We can help you do that by supplying high quality labels that are specifically designed for Long Term Care applications. Popular labels are shown below but many more are available. For more information please call Jays Company.

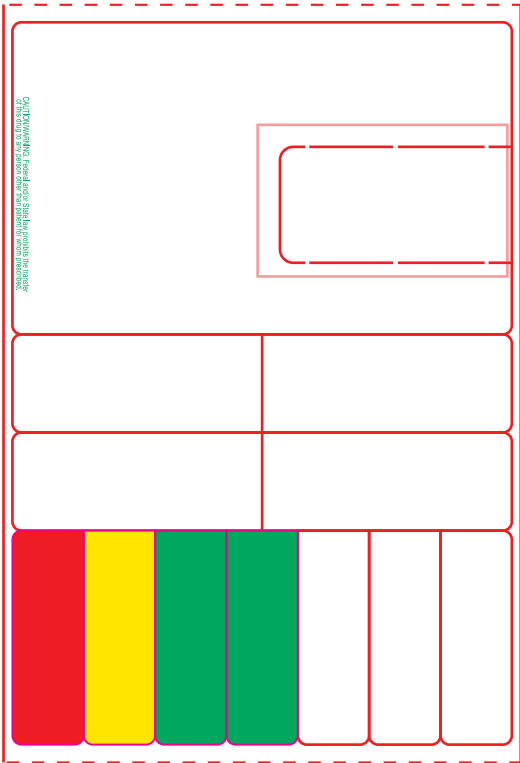

#737

BLANK STYLE W

#741

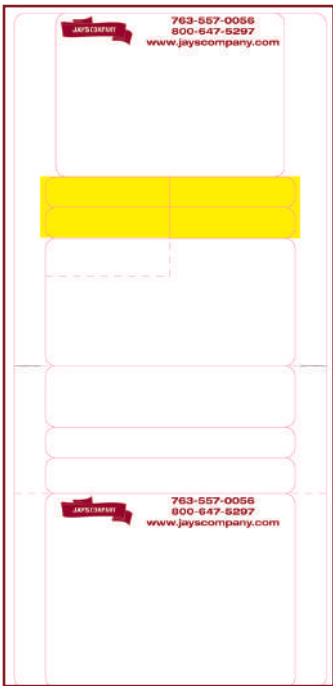

BLANK STYLE Z

# Laser Rx Labels (All Pressure Sensitive)

The 4" x 8 1/2" format is economical and popular with many pharmacies. The label is comprised of a bottle label, 4 to 6 auxiliary labels, hard copy label, mailing label, signature label, and receipt label. A separate sheet of copy paper is used for the monograph. Use of this label requires a special drawer to fit the 4" x 8 1/2" size.

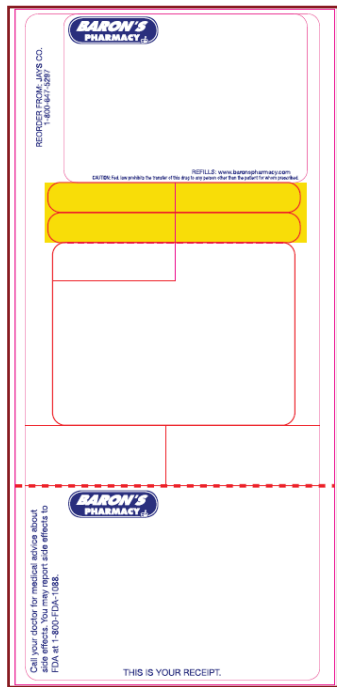

Other layouts are available. Please contact our sales department for other options.

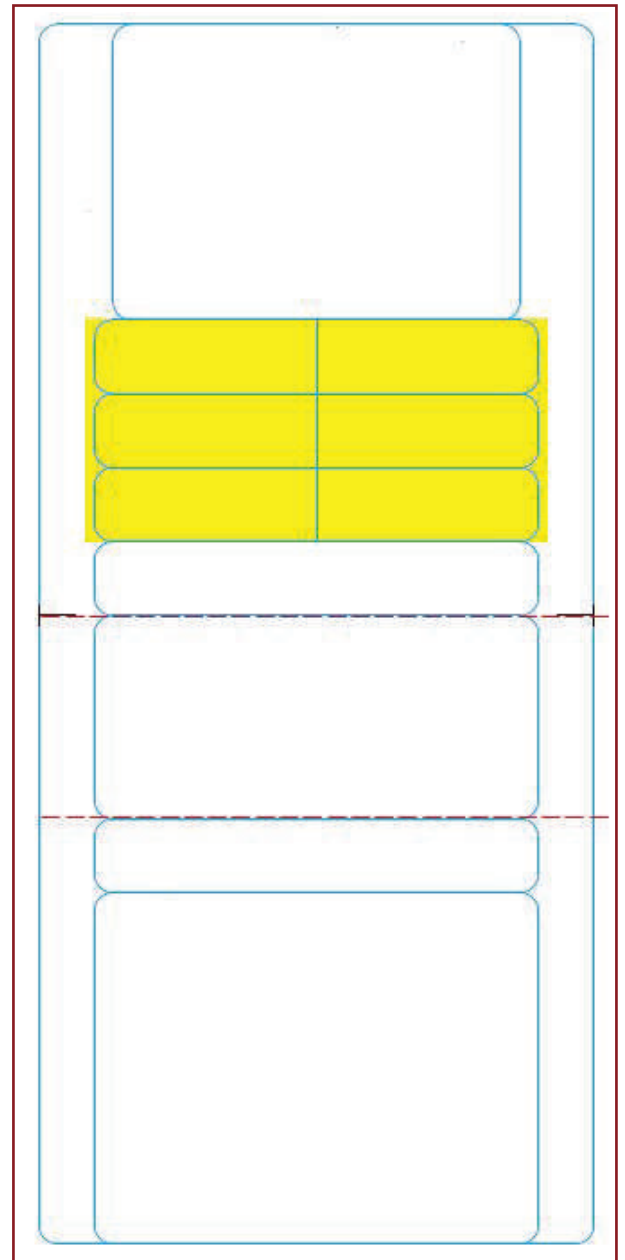

BLANKDIE1310

LASER #1306

ADL-LASER

BLANK-ADL-LASER 4" x 8 1/2"

# Let Us Customize Your Labels for a Professional Edge!

Laser Dual Web is a commonly used format of many pharmacies. The label is comprised of a bottle label, auxiliary label, hard copy, mailing label, signature label, receipt and monograph paper all on one sheet.

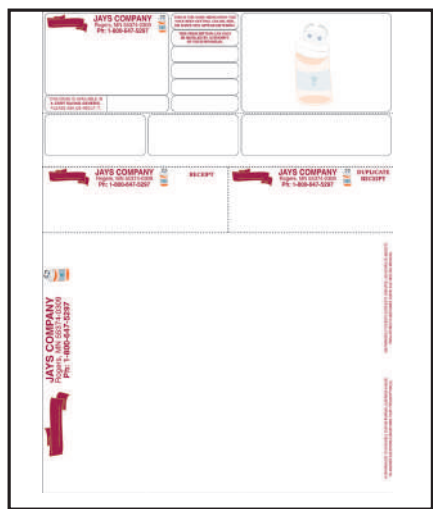

## Top Reason To Customize Your Labels

- Branding Opportunity - Feature Your Logo
- Highlight Your Tagline/Message
- Promote Multiple Locations
- Promote Free Delivery
- Enhance Readability With Colors

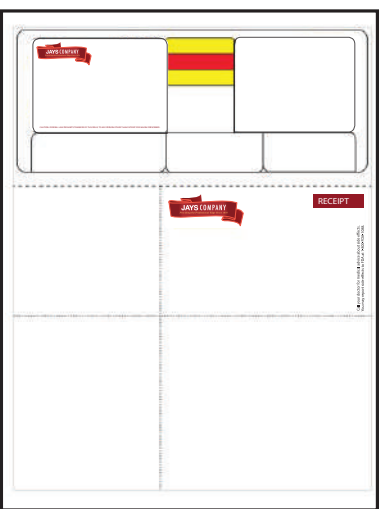

*The customization process takes 4-6 weeks production. Minimums vary from 12,000-25,000 depending on the style. If you are not ready to customize, we have blanks available in several stock options. The more popular stock styles ship within 24 hours. Call Jays Company for more information.*

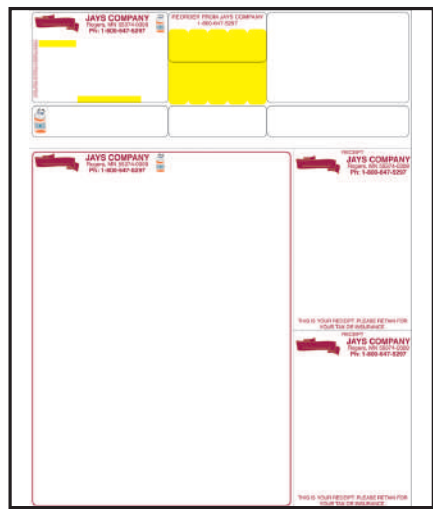

Popular Blank stock laser dual web labels:

LDW23A  
8 1/2" x 11"  
1,000/case

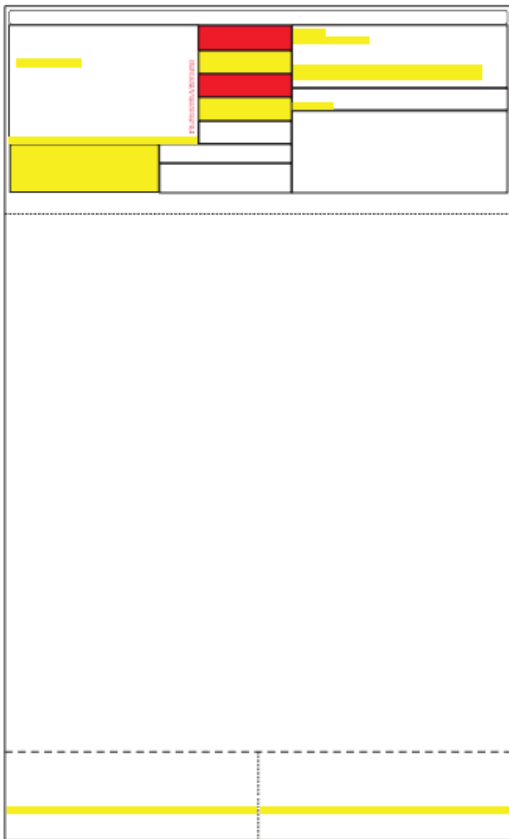

LDW14  
8 1/2" x 11"  
1,000/case

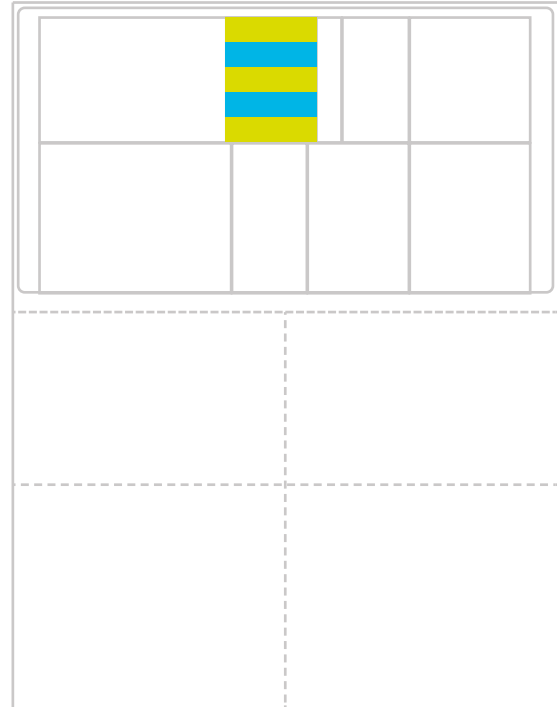

LDW9  
8 1/2" x 11"  
1,000/case

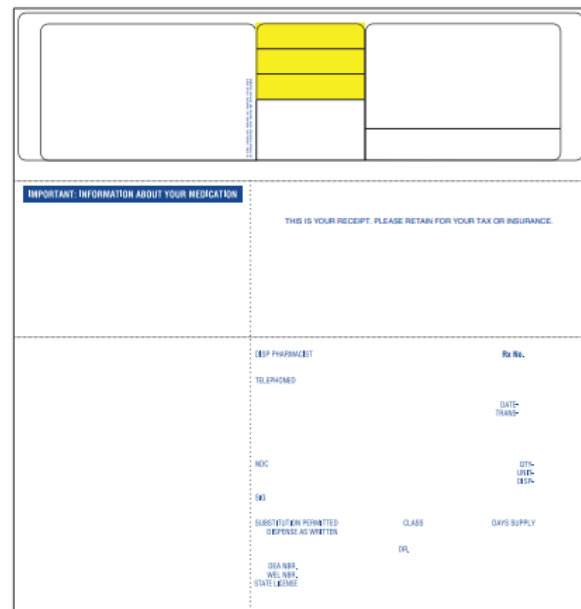

Laser Dual Web is a commonly used format of many pharmacies. The label is comprised of a bottle label, auxiliary label, hard copy, mailing label, signature label, receipt and monograph paper all on one sheet. This form is available in the following sizes: 8.5" x 9", 8.5" x 11" and 8.5" x 14"

Item #LDW15L  
8-1/2" x 14"

Item #LDW85  
8-1/2" x 11"

Item #LDW7  
8-1/2" x 9"

**Don't forget to identify your printer, make and model. OEM and generic toners also available.**

## Automated System Labels

Fully integrated, automated prescription-filling systems provide the technology for higher levels of patient care and also help control health care costs. These systems enhance pharmacy efficiency with high-speed dispensing, reducing cost per script and increasing capacity without adding staff.

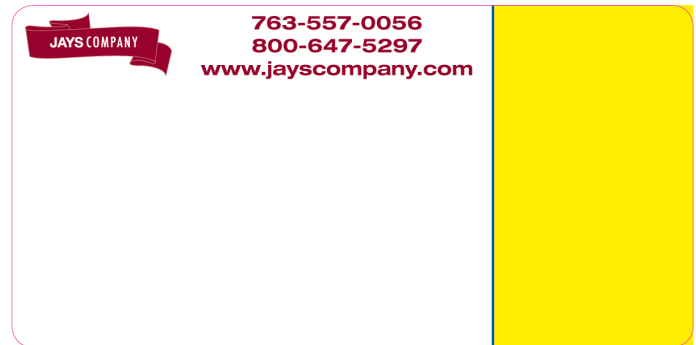

*Jays will help you “brand” a design. Give us a call and see what we can do to improve your sales.*
