Proofs on Printed Orders

A proof on all new orders will be sent to you via email, fax or postal mail. When proofing, please be sure that you check all spelling, logos, punctuation, phone numbers and placement of copy. We cannot be responsible for orders approved by the customer that contain incorrect copy.

Shipping

If no specific carrier is requested, then all merchandise is always shipped in the most affordable and reliable way. Many items are stocked in our warehouse and will ship within 24 hours.

Damaged Shipments

Although we work hard to ensure that all shipments are received without damage, it does sometimes occur. Upon receiving, all orders should be checked for damage. All claims for damaged merchandise should be filed with the carrier. If you receive a shipment that is damaged, sign for the shipment noting all damages on the signature page. Then contact Jays Company so we can assist with the claim process.

Return Policy

Please call us if you receive merchandise or items that you wish to return. We will make arrangements at that time and you will be given an RMA number (Return Merchandise Authorization). A restocking fee may apply to stock merchandise.

Sales Tax

All taxable merchandise will be subject to state and local sales taxes.

Custom Pharmacy Bags

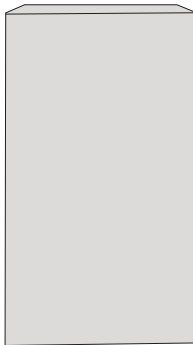

Get your name out there with custom pharmacy paper bags. Name recognition and logo identification are key elements in defining who you are to your customer.

White Poly Bubble Mailers

These unique, lightweight protective padded white mailers are made from a durable, moisture resistant blend of polyethylene film.

The exterior film is laminated to a resilient interior for cushioning and is constructed with strong side heat seals for bursting strength. The bright white exterior provides a professional image. The pressure sensitive hot melt (self seal) adhesive closure system is reliable, tamper-evident and easy to use.

Insulated Shippers

Cool Shield Bubble Mailers

Ship perishable or temperature-sensitive items in these mailers

- Bubble lining protects contents from damage while outer thermal material maintains temperature.
- Peel and seal strip for secure closure.
- Puncture-resistant and water-repellent. Material is lightweight and durable.

Expansion White Poly Mailers

Strong, polyethylene mailers protect products from moisture during shipping.

- Features a gusseted bottom to allow for thicker items such as binders, books and catalogs.
- Puncture, moisture, tamper and tear-resistant.
- High strength seams will keep contents intact even if over packed.
- The outer surface of the mailer is white and the inner lining is silver.
- Labels, ink and stamps adhere well.
- Self-seal closure with a double perforation tear strip for easy opening.

Available sizes:

6" x 9" - 1,000 per case

12.5" x 15.5" - 500 per case

Insulated Shipping Box

Safely ship perishables or medical specimens requiring insulation. Tight fitting lid and seamless molded polystyrene body help maintain a constant cool temperature. Corrugated box is preassembled around foam insert for added durability. Wall thickness is 1-1/2".

A disposable color-coded compliance package. The blister cards are available in 7/8 dose and 14/16 dose formats and are compatible with 3" medication cart drawers. The Opti-Pak is both tamper-evident and hygienic. The ability to automate the filling and sealing of the Opti-Pak product makes this system a viable compliance packaging solution for the pharmacy, home and resident.
