

### THE ORIGINAL

The Trodat Printy is the innovation leader in compact self-inking stamps: The 45° angle of the text view window for easy identification, the non-slip soft-touch grip cap and the dynamic shape are unmistakably stylish.

### HANDY

The handy all-round stamp is a reliable companion at home and when travelling; it is lightweight with compact construction.

### MODERN DESIGN

Innovative and high quality materials, contemporary styling, plus practical functionality.
