Unmatched Safety Features

Molded beveled edges

-They will never curl up, eliminating tripping hazards

Any length, 2' or 3' width, always in one piece

-No overlapping or worn out connecting mats, also eliminating tripping hazards

The Basic Series Ergomats deliver many of the same qualities of our more familiar polyurethane offerings in environments that do not require other specific features (i.e. exceptional durability, anti-static/ESD, chemical and oil resistance, cleanroom classification, fire retardancy, etc.)

Solid Matting Throughout

Basic Series Ergomats have no hollow bubbles or material voids that will collapse in use.

3-Year Warranty

All Ergomat product lines are conditionally warranted against normal usage* 24 hours a day, 7 days a week. The warranty does not cover damage caused by the mat being dragged or pulled from under a heavy load or items being pushed or dragged across the product, such as skids or pallets. The warranty against chemicals, oils, liquids or other matter differs with the type of mat. Please contact Jays Company customer service to select the correct mat for your environment. The warranty period starts from the date of purchase. The warranty only covers the replacement of the product, no direct or indirect costs are covered.

* It is considered normal usage when a person stands or walks on the Ergomat with regular footwear in an environment where the temperature is under 25°C (77°F) and the humidity is below 80%.
