

HOTRONIX STX CLAM PRESS

With - Modified Handle
ITEM # NM-STX11MOD

*5 Year Warranty

\$1080.00 Each

(Price subject to change without notice)

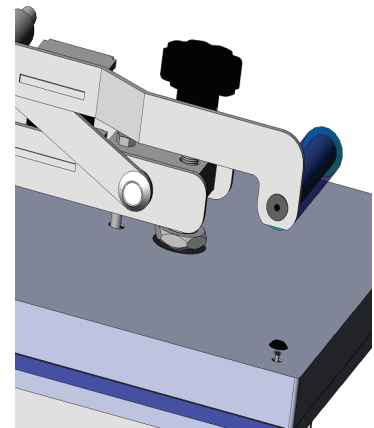

The 11 x 15 Hotronix Auto Opening Clam offers great value to any size business. The auto-opening feature has proven to be an excellent value, by increasing production to high volume users and small shops alike. The quick change lower platen and ability to accommodate various thicknesses allows users to produce a large variety of items with just one press.

*"Proven
Reliability"*
